President's Corner

As I sit to write this, we have just finished with the celebration of Dave Roberts life. Cathy Kenny, Dave's sister and his family were very pleased and overwhelmed with the outpouring of love the community showed towards them and Dave's memory. I am also pleased at how well the board all worked to make it a success. Just a footnote, please remember this did not happen with community funds. This was a labor of love to honor our previous president and everyone on the board worked, by cooking, donating money, setting up and cleaning. There was a rental the next day so we made sure it was in great condition. I want to thank Debbie Polizzano for chairing this event as it was a big undertaking. Sue Fieger was a work horse cleaning that kitchen! Although Leah Procopio is not a member of the board, I want to thank her for helping me peel 30 lbs. of potatoes and helping with the cleanup. Spouses and family members also were big helpers and it was noticed and appreciated. It is a great feeling knowing we worked and accomplished something special so thank you all.

I have been asked to remind community chairpersons that coffee is not free for use at your activities. If men's club, woman's club, cards, and other activities would like to make coffee they are welcome to as long as they drop their money in the can by the coffee pot. Coffee is free for community meetings and condo meetings but everyone else please remember to pay for the coffee.

If you weren't at the last community meeting, I mentioned my displeasure at someone stealing a ratchet strap from a garbage can we were storing top soil in. After the strap was gone the can was then used for dog poop and garbage that went on top of our soil. Since we did not use the can in the winter, we didn't notice that the strap was gone. By the time I looked at the cameras it was too late to see anyone removing it. The can now has a chain and lock on it. It is disheartening that everything has to be under lock and key. The people who volunteer their time and skill to this community also volunteer their own personal funds when something is needed and that strap belonged to someone in the community. So please remember if you have a hankering to steal something, you are stealing from your neighbor.

Some good news, I am happy to know that people are actually reading the press! I want to give a shout out to Barbara Gasper as she donated money for us to purchase a large bag of birdseed from Costco. I mentioned it a couple of press issues back, that we go through a lot of birdseed and I was so pleased to get a response, so the birds and I thank you Barbara!

Speaking of the press, if you aren't reading it, why not? It has a wealth of information for you and might help get you motivated to attend an activity. So many people take time to write articles, submit pictures, and our editor, Janice Conte works hard getting it all in an attractive readable format. Even if you don't want to attend an activity, read about what's going on so you can at least feel like you belong to the community. And for nothing else there are puzzles and games in the back to give you something to do!

I also want to thank Bob Sylvia for volunteering to be our community's liaison at the Stafford township monthly council meetings. We will now have first hand information that Bob will bring back to the board and we can relay to you at our monthly meetings. I am also happy to see that Bob with the men's club and Sandy with the women's club are working together on bringing activities to the community. I understand the Italian Night dinner and band was a great success. They are also taking over the holiday picnics. Please remember that all activities are under the umbrella of the Community Board and we are thereby held responsible for any liability. The board needs to approve all activities and/or changes made to standing events.

As the summer season starts, I want to remind you of the Saturday picnics in the grove. The men's club does a great job organizing this and it takes a lot of work. They are at the grove early to rake up leaves and clean off picnic tables. I know they get disappointed after all that work and each Saturday less and less people show up. I would hate for this activity to go by the wayside. The food is very good and the prices very reasonable. The women's club sells ice cream which is delightful on a hot day. Please think about spending some time at the grove on Saturdays. Don't forget if you are at the pool, the back gate is open for your convenience to go down and grab something to eat and if you don't want to stay you can certainly bring it back to the pool. We have new homeowners moving in and I am pleased to see new faces at activities. Please make them feel welcome when you see someone new in the community. Tell them about our activities, or better yet bring them with you to the pool and the grove and meetings. I worry about neighbors feeling alone and in their homes. We all (me included) have to make more of an effort to get people involved and encourage them to participate. A smile is the first step and you may be making a difference in someone's day.

Stay happy and healthy,

Tracy Barnard, Fawn Lakes Community President

Public Service Announcement

Once a year it is important to have your dryer vent checked for cracks or holes in the line. The hose can also be filled with lint which can cause a fire. A reliable dryer vent contractor should do an inspection for free...it's worth a phone call to be safe.

Quarterly Activities Meeting Notice

The quarterly activity meeting will be held on June 23rd at 10am in the clubhouse card room. Please come if you have ideas or suggestions. We will also be trying to plan something for our 50th anniversary of the community.

50th Anniversary Celebration

With some research, we believe the 50th anniversary of Fawn Lakes incorporating is in November. We're hoping to throw a celebration in the beginning of that month before we get into Thanksgiving and the Holiday season. What would you like to have? Would you prefer a catered dinner party? Do you want a social hour or music and dancing? Would you like just cocktails and appetizers? What price range are you willing to pay? Please let the activities people (Mary Carroll-Dickon and Debbie Paton) know your ideas and preferences. Phone # in the FL Press listing).

Once we know what the Community is most interested in, we will ask for volunteers to serve on the celebrating committee. Volunteering for a single event is a great way to start getting involved and meet some new people.

Long time residents, can you check out your photo albums and memory boxes for anything related to past years. We can scan your photos, etc and return them unharmed. Do you have the old shirts with our logo? We'd love to see one and maybe get some retro anniversary ones printed for the celebration.

November will be here before we know it so let us hear from you!!

We are all aware of the age of our properties and that they have been in constant repair mode. Just like us humans, after so many years we need tune ups and sometimes replacement parts. As we can verify, our maintenance work has been ongoing with plumbing, structural, gutter and let's not forget those pesky squirrels that love to attempt to get into the attics! We will wire the areas closed to prevent them entering the attics however we do not remove them. We have been addressing all of these issues as they come up.

Gutter maintenance is an ongoing project. We have been not only cleaning the gutters but also the downspouts that were never cleaned until last year as part of the maintenance we provide. May of the gutters are in need of replacement. The HOA does not replace gutters, we clean and maintain them. Replacement is the homeowner's responsibility.

We will be doing an inspection of roofs for replacement to see how we can beat the increase in the price of wood due to tariffs that we are anticipating.

An inspection of our trees has been done which will begin a trimming process. We will not remove or cut down any trees unless they are dead. Should you have dead trees on your property contact Karen Hanley our Trustee in charge of trees at 609-213-3621 She will inspect and determine the fate of the trees.

A reminder that during our monthly meeting we will keep our topics of discussion current by six months. Should a resident have an issue that is older they are welcome to put their concern in writing and mail it to the Post Office Box. The Board of Trustees will discuss and evaluate the concern with a reply to the resident.

All owners and or family must notify a member of the Board of Trustees before selling or vacating their units. Violating this notification can jeopardize the sale of your property. Be sure your Realtor is knowledgeable of what the fees and capital donation requirements are. Should you have any questions regarding your sale contact a member of the Board of Trustees.

We look forward to seeing you all at our June 7th meeting at 10 AM; come early for coffee and conversation. The coffee's ready by 9:45 AM.

Respectfully,

Your Board of Trustees:

So here it is the first week of May as I am writing this, the weather is improving and snowbirds have returned.

I would like to Thank Tom and Beth Garris for their time as President and Secretary to Condo 3. I would also like to Thank Don Hand for stepping up to help as our new Trustee.

At this exact date we do not have a new President and hopefully by the time you read this that will be resolved. We are also in need of a new Secretary.

I have been a Trustee for 13 years and continue to be disappointed that out of 90 units and roughly 140 residents, when we have our monthly meetings only 15 to 18 people attend.

There are a lot of things going on that could affect your quarterly dues and we would love to have you attend some meetings and offer up your opinions and suggestions, plus we serve free coffee and snacks.

*Thank you,
Fred Soper, Trustee*

Cruise and Villa Roma Survey Results

We sent out surveys in the past 2 issues of the *FL Press* about suggestions we received for trips outside the community. We received 3 responses for the Villa Roma and 2 responses about a cruise. The *FL Press* is delivered to every home in the Community, so the number of responses sent to us is a clear message that most people aren't interested in a group travel experience. We thank the people that suggested we plan these trips, but there isn't an interest at this time. We will concentrate our time and energies to continue local events and activities within the clubhouse.

Women's Club

Happy June

The Women's Club was very busy in May. We had our Cherry Blossom Tea, Bake Sale, and Plants sale. These were very successful, as always. Thank you, Debbie Paton for our Cherry Blossom Tea theme and decorations. Thank you Tracey Barnard for creating beautiful gift baskets. Thank you to Marianne Baudistel and Cyndy Friedland for running the Plant Sale.

We also had our Spaghetti Dinner with Entertainment by "Remember When" and The Memorial Day Picnic with DJ and Vocalist George Martin. Both of the events were hosted by the Men's and Women's Club. All events were well attended and very enjoyable.

Men's Club President and Women's Club President will be attending Scholarship Night at the school to pass out the scholarships that Fawn Lakes donated.

Our next event, hosted by the Men's and Women's Club, will be 4th of July Picnic at the Grove, July 4th from 12 to 2. Bring your own dessert or snack. Hot Dogs and Hamburgers will be served. BYOB. Price is \$10.00.

The Women's Club still meets every first Thursday of the month. Our doors open at 9:30. We will have Breakfast Snacks and a speaker. June 5th is the meeting.

The Women's Club will be preparing Birthday Cake supplies to give to the Food Pantries. Please look for regular size Box cake mixes and frosting. (Do not buy the dollar store box as it is smaller than the rest) A can of soda is added too.

Thank you to all the volunteers, food donators, Men's Club Cooks, servers, set-up and clean-up. Thank you to everyone who came to our events. Thank you, Marianne Baudistel for your beautiful decorations and handmade centerpieces at our Spaghetti Dinner. Thank you, Cindy Christensen for donating 2 huge sheet cakes! Thank you to everyone.

We are all about Charity and giving back to the community. Please be a part of all the events we have. You make a difference! Membership is \$12.00 for the year.

*Thanks,
Sandie Levine*

Men's Club

Our next meeting will be on May 8. Our Clean-up will be on 6/18. We will then work with the Women's Club on the Memorial Day picnic on the 24th. It will start at noon and entertainment will be provided by DJ George.

Please bring your own side dishes and dessert. We will provide Hot Dogs and Hamburgers along with water and soda.

Starting on 5/31 we will begin our Happy Hours. They will happen at noon on 5/31, 6/7, 6/14, 6/21 and 6/28. That will be followed by our 4th of July picnic. Last year the attendance was very low so we are hoping that we can revive these events. Great chance to catch up with friends and neighbors in a very comfortable setting. We might even have a little incentive to bring some additional people out.

On May 3 we held our first pasta dinner put together by the Women' and Men's Clubs. Besides the pasta with meatballs and sausages, salad, garlic bread, soda, water and dessert, we were entertained by a fabulous group called Remember When. The reviews of the event were great. We had nearly 70 people and almost everyone stayed till the very end. This dinner was the fourth event to happen within a few days. On April 30 there was our first evening Bingo. Food was also featured and there were great prizes. Approximately 50 people attended. on May 1st, the Women's club had their Annual Tea. The decorations were great, wonderful outfits and hats were featured along with great finger sandwiches and desserts. The ladies came out in full force and there were about 50 people in attendance. On April 26th a Celebration of Life for our friend and President Dave Roberts was held. The Board of Directors provided the food and it was another great event.

The reason I mentioned these several events is that there was great attendance and great volunteer efforts to make these events very successful. It's an example of working together and pulling out all the stops. I appreciate the effort that went into these events and greatly appreciate the enthusiasm shown by our residents who turned out in large numbers. I sincerely hope that it's the start of many such future events and hope that this new level of participation is a sign of things to come. I can assure you that it is greatly invigorating to our many volunteers.

Don't forget the many other activities that are available here at Fawn Lakes.

By the time you read this our wonderful pool will have opened.

I look forward to seeing you for the Memorial Day Picnic.

Pool News

It was an exciting day at the pool today. We had Don Miller come out and replace our drain cover. The state requires that this is done every 5 years. The chlorine eats away at the plastic and it can crack and cause holes. If someone puts their finger through, or their hair gets caught they would be stuck by the suction of the pump and be trapped. That is why we have an emergency button that needs to be pushed to stop the pump. This is a serious situation and people have gotten caught in pools and hot tubs and drowned. The emergency button is on the wall to the left of the ladies room. Please take note of this so you are familiar with it in case of an emergency. Last year it was comical when we tried to replace the drain cover ourselves. We finally realized we were not going to hold our breath long enough to get the old cover off and replace it with a new one but it was fun trying. Well not really. We realized we were just going to have to pay a diver to do it for us. Don is a great guy and if you need anything retrieved or replaced in a pool or ocean, Don is the guy to call. Thank you Teddy for recommending him.

I have been power washing which has been a site to see. I'm getting better at balancing myself but from time to time I cheat and sit on my "wheely mobile" or use it to hold me up. My ankle is still swelling up like a balloon

and hurts at night from standing on it, but each day is getting better or so they tell me at physical therapy. Of course they were not happy when I told them what I was doing, especially when they saw the skin taken off the side of my foot by the power washer when I lost my balance. Its quite sore and difficult to get a shoe on but I'm managing just fine. The reason I mention all this is because I want to take the opportunity to thank Kip Bartholomew for our new gas power washer she found. The man who owned it couldn't get it to work so he gave it to Kip for free and she turned it over to Joe to fix. The guy put too much oil in and all Joe had to do was drain off some of the oil and it started right up. Unfortunately we had to buy a new nozzle and hose for it but we now have 2 gas power washers so two people can work at the same time. So hopefully someone can work inside the pool while I work on the sidewalks around the clubhouse.

Our pool monitor meeting will be on Wednesday, May 21st at 5:00 at the pool. Hopefully Mary Carroll-Dickon and Sue Fieger will show us how to use the AED and teach us safety measures at the pool again this year. Hope to see you all there especially the new monitors. Looking forward to another great summer at the pool!

In Memoriam:

JOHN A. RATICO

John A. Ratico, a Fawn Lakes Community resident, was surrounded by his family when he passed away on April 2, 2025 after a long illness. John was a member of St. Mary's Parish, the Manahawkin Elks, St. Mary's Knights of Columbus and the Italian American Club of Stafford Township. Prior to moving to Ocean County, John was a member of St. Raphael's Parish in Mercer County where he volunteered in many capacities. John worked at Weichert Little and enjoyed time with his wife, Donna-Maria, his children, and grandchildren. He loved music, the NY Yankees, the Chicago Bears and reading. John's claim-to-fame happened when he was selected to be a dancer on American Bandstand in Philadelphia! When he was able, John loved taking walks down Fir Road, stopping to chat with his wonderful neighbors. John's family would like to thank the Fawn Lakes Community for their support and kindness since his passing.
